

Our Counsellors

If you are like most students, you may run into a problem that seems unsolvable in life, love, or relationships. It makes you miserable and takes the joy out of life. Imagine if you had a counsellor who knows how to help you resolve it. Imagine what it would feel like to overcome the pain that won't go away, to be able to grow your strength from within, and to enjoy quality relationships with friends and loved ones.

Our counsellors are committed to journey with you to explore, experience, grow and transform.
